INTRODUCTORY

We present herewith the twenty-fifth issue of the Pittsburgh Blue Book trusting that it will meet the requirements of all who may consult its pages.

The Blue Book is a selection of the best families in Pittsburgh, its suburban districts and the adjacent towns of Beaver, Beaver Falls, Butler, Cambridge Springs, Connellsville, Franklin, Greensburg, Kittanning, Meadville, Monongahela, New Brighton, New Castle, Oil City, Rochester, Sharon, Uniontown, Washington and Youngstown arranged alphabetically and again grouped by streets. A personal canvass was made in each of the above towns and we feel that the list is as complete and accurate as possible.

In addition to the alphabetical and street lists of names will be found a valuable Shoppers' Guide, also a list of the Benevolent Institutions, Societies, Clubs and all social organizations.

We respectfully tender our thanks for the patronage, the uniform courtesy extended to our representatives, and for other evidences of the increasing popularity and usefulness of this work.

R. L. POLK & COMPANY,
